v.

OSRAM GMBH,

Counterclaim Defendant.

RONNIE ABRAMS, United States District Judge:

On March 27, 2023, the Court ordered an amended case management plan that set a deadline for the end of fact discovery for May 31, 2023. The Court did not, however, set a date for a post-fact discovery conference.

Accordingly, a post-fact discovery conference is scheduled for June 9, 2023 at 4:00 p.m. The Court will hold the conference by telephone unless the parties request otherwise. The parties shall use the following dial-in information to call in to the conference: Call-in Number: (888) 363-4749; Access Code: 1015508. Should this present a conflict for either party, they may make an application to the Court by letter requesting that the conference be held at a different time.

No later than one week in advance of the conference, the parties are to submit a joint letter updating the Court on the status of the case, including but not limited to whether either party intends to file a dispositive motion and what efforts the parties have made to settle the action.

SO ORDERED.
